Check by

file upload

Choose File

No file chosen

Uploaded files with .xhtml or .xht extensions are parsed using the XML parser.

Check

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

Message Filtering

Document checking completed. No errors or warnings to show.

Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided.

Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
<i>Not resolvable</i>	Nav picture logo	From line 23, column 37; to line 24, column 17
<i>Not resolvable</i>	Home page image	From line 51, column 5; to line 51, column 76
<i>Not resolvable</i>	Home page image	From line 54, column 5; to line 54, column 76
<i>Not resolvable</i>	Home page image	From line 57, column 5; to line 57, column 76
	Valid CSS!	From line 72, column 4; to line 73, column 21
